Call for Silent Auction Donations

**Are you interested in having over 500 people seeing your art?
Consider submitting a donation to the 8th Annual Potlatch Fund Silent Auction!
Give back while promoting your work!**

Potlatch Fund's Annual Fundraising Gala & Silent Auction is the ideal venue for artists to showcase their work. With over 500 attendees, the Gala & Auction uplifts the work and raises the profiles of Native artists, Native organizations, and Tribal communities of the Northwest.

This year marks Potlatch Fund's 15th anniversary and we anticipate increased community participation in this Northwest Signature Event. Furthermore, the layout of the Suquamish Clearwater Resort Casino allows for unparalleled integration between the Silent Auction and Networking Reception spaces.

The focus of the auction is **Native art** and **cultural experiences** (such as tours, trips, and storytelling). If you donate an item you will be invited to attend the Networking Reception. This is where you will have the opportunity to meet and talk to potential buyers.

Our primary goal for the auction is to uplift and promote Native artists to the larger community.
