Important Schedule Changes

Capacity Building Training Calendar

View the [current calendar and registration forms](#).

Potlatch Fund tries to keep our schedule up to date and be responsible to the communities we serve. Sometimes our planning and preparations fail to take into account Mother Nature and her wishes. As many might know several of the Native communities we work with are currently, or soon will be, experiencing flood conditions. Our heart goes out to the Crow, Kalispell and Coeur D'Alene communities who are currently experiencing extreme flooding situations.

Out of respect for these communities we will be making some date changes to our upcoming training schedule. Our new and revised training calendar is updated on our website and can be found below. We apologize for changing dates but feel we must respect and honor these communities.

To schedule a training for your community or group, contact *Heather Miller (Wyandotte), Program Coordinator*
