Capacity Building Trainings Schedule One For Your Community Today

Capacity Building Trainings

© Matka Wilbur www.matkawilbur.com

Each year Potlatch Fund strives to provide 40 capacity building trainings to our Urban and Reservation communities across Washington, Oregon, Idaho and Montana. We understand that providing on the ground trainings will help organizations gain access to more mainstream foundation funding.

Other folks agree saying that, "these trainings are very helpful because Potlatch Fund was willing to come to my community and educate us on the grant application process. Most people in the community cannot afford to travel to these types of trainings."

Our trainers have experience with all areas of nonprofit development including Grant Writing, Financial Management, Nonprofit Startup, Social Media Management and Board Governance. More detailed descriptions of our trainings can be found [online](#).

Potlatch Fund needs your help as we currently plan our fall and winter schedules. We would love to come to your community and offer a capacity building training. If you are interested in helping bring a workshop to your area please [email](#) or call Heather to further discuss details. 206-624-6076 x12
