# POTLATCH FUND

December 22, 2011

## Happy Holidays from Potlatch Fund

Potlatch Fund wishes you the very best this holiday season! And as 2011 winds down, we ask that you consider the positive impact an end of year donation\* could make to Northwest Indian Country.

While Potlatch Fund enjoyed many successes in 2011 – like re-granting our millionth dollar – the work ahead of us cannot be done without the support of individuals like you. Your investment will ensure that Potlatch Fund continues to provide leadership and capacity building trainings throughout the Northwest, educate foundations, broker relationships and demonstrably bring more money to the pressing needs and exciting opportunities that exist in Indian Country.

As an organization Potlatch Fund is stronger than ever – with fantastic volunteers, great Board Members, and growing recognition locally, regionally and nationally. The year, 2012, promises to be an incredibly busy year for Potlatch Fund and your support will strengthen Native communities, provide educational opportunities for Native youth and invigorate our resolve to raise the profile of the all the wonderful projects being carried out in Tribal communities and by Native nonprofits.

I urge you to consider making an end of year donation to Potlatch Fund so that we, in turn, can continue to support the important projects, programs and ideas that are happening all around Northwest Indian Country.
