

This survey is about youth resilience and cultural connections. The information you give will be used to develop better programming for young people like yourself.

Do not write your name on this survey. The answers you give will be kept private. No one will know what you write. Answer the questions based on what you really do, not what you think you are supposed to do. *Completing the survey is voluntary.* Your participation in this program will not be affected by whether or not you answer the questions or how you answer the questions.

Make sure you read every question. If you do not understand a question, or if you feel uncomfortable answering a question, you may leave it blank. Please try to answer every question.

The questions that ask about your background will be used only to describe the types of students completing this survey. The information will not be used to find out your name. No names will ever be known to anyone connected with this survey.
