

2021 Resiliency Fund Stories

We are not requiring final reports however, we are seeking to hear your Resiliency Fund story. Our goal is to gather all stories by December 31, 2021 to share at our annual board meeting. Sharing stories will serve to highlight impact and future needs. We seek to learn from grantees the following:

1. What is exciting and relevant about your grant that you would like to share with Potlatch Fund?

2. What challenges occurred if any and/or what did you learn?

3. Please share a photo(s) and/or video to help us tell your story on our website and through social media to support our fundraising effort in holding up more Native communities.

Additionally, welcomed mediums are digital images, photographs, slides, video, audio recordings, or sample of writing which represents the work.
